The VA Medical Center Direct Access Program Events provide marketing opportunities for verified VOSBs and other Small Business and Distributor Partners to promote new and innovative products to Clinicians, Physicians and Procurement Decision Makers within the VA Healthcare Marketplace.

VA Staff receive demonstrations and education on the latest Medical and Non-Medical Equipment, Products and Services in one place, at one time to support their service areas. The Supplier Day Shows help promote increased communication and awareness between industry partners and VA Staff to assist them in making informed Acquisition and Procurement Decisions while supporting their Small Business Goals.

We encourage you to review Facility Services online prior to submitting your Pre-Registration to ensure your company's products and services meet the needs of each Facility.
