

Deloitte is one of the "Big Four" Firms and the largest professional services network in the world by revenue and number of professionals. Deloitte believes that diversity in our talent and our business relationships brings richness and strength to the business solutions that we provide. Our commitment to diversity extends to our supply chain, where we drive toward broadening our supplier base of minority, women-owned and other diverse suppliers to provide best-in-class technology and innovative solutions to our clients. Deloitte's Office of Small Business and Supplier Diversity Programs (OSSDP) leads the charge with effectively building and leveraging relationships with small and diverse suppliers across Deloitte U.S. member firms, Commercial and Government & Public Services practice. Deloitte creates business opportunity for small and diverse suppliers by not only inviting them to participate in the appropriate contracting opportunities, but by delivering strategic programs that support suppliers' skills and capabilities development, mentor-protégé relationships, and strategic market growth. Deloitte recognizes and seeks small and diverse suppliers of numerous types, as designated by the federal government, state and local governments and industry organizations.
